Testing Shiny in 2020 💪

- Repos: <u>rstudio/shinycoreci-apps</u> and <u>rstudio/shinycoreci</u>

- Consistent install methods
  - ✅ Increased trust in testing environments
  - ❌ Tested against a zip file of <u>rstudio/shinycoreci-apps</u> repo

- Updating snapshots was a laborious / manual process

- Some across repo bugs are not found until release time

- Release time: (~8 team members) * 2 weeks
